Contd

The proposal is to require persons exporting tobacco from villages to obtain passports from the patels specifying the quantity exported.

The Dy. C. states that this was the practice which prevailed prior to the introduction of the present Regn. of 1871. The authority if any, for this has not been given.

Neither the Regn. of 1871 nor the recent amending Regn. VII of 1899, permit of the exercise of any such restrictions as proposed ~~before~~ by the Bank nor over the articles after they entered the actual limits of the Municipality.

The enforcement of licenses under s. 62 ~~of~~ seems a sufficient safeguard against smuggling, as premises in which smuggled goods are concealed can always be searched under cl ii of sub-section (ii).

No. 572 MYSORE CITY MUNICIPAL PRESIDENT'S OFFICE,

Enc. No.— Dated 18th April 1900 ~~189~~ .

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

I have the honor to State that before the introduction of the Municipal Regulation, it was the practice for the patails of villages from which tobacco was exported, to issue pass-ports to exporters noting the quantity exported on each occasion. It was discontinued some time ago, and so the dealers in tobacco bring the same from the places of production and store it in the villages close to this City This facilitates their being brought into the City at nights without the payment of duty. It is very difficult to stop this as they bring it in grass bundles and gothin carts. Thus

Thus the municipal revenue has suffered a great deal.

2. In this City the consumption of tobacco is very great and it is still on the increase. While so, the revenue on the other hand is decreasing considerably. This must be attributed to Smuggling carried on extensively

3 This point was discussed in the Board with a view to introduce the system of issuing pass ports as before. The Board resolved that the Government be moved to introduce it. A Copy of its resolution is herewith Submitted. I request you to be good enough to obtain the orders of the Government on the same

I have the honor to be.
Sir.
your most obedient Servant
[illegible]
President

VI Read letter from Mr. Srinivasiah, Municipal Commissioner Krishnaraj Mohalla, proposing to introduce the System of issuing pass-ports to dealers in tobacco, by the patail of the village from which it is exported to the Mysore City in order to prevent Smuggling which is going on extensively in this City
